Fundashon Kolorido is a non-profit organization established on October, 20th 2017 that aspires to foster society through organizing different activities in the field of education, sports, culture, and more. Kolorido Gymnastics is a product of Fundashon Kolorido to develop gymnasts in a positive, educational, and enjoyable way. Our main objective is to stimulate the gymnasts to want, like, love what they do and know that they can achieve anything they want in life. With over 200 gymnasts over 7 classes for the ages 3 up to 18 years and the demand for more classes and training hours from different age groups, specific groups and organizations, we are working on developing a Gymnastics Center.
