BON BINÍ | WELCOME

Welcome parents and gymnasts,

Thank you for choosing Kolorido Gymnastics!

This document provides you with complete information about the 2025–2026 season.

Our mission is to guide gymnasts to become gymnasts in a positive, educational, and joy-focused way.

Kolorido attracts the gymnasts in such a way that they are not only excited to come train, but also develop a love for the sport.

To encourage this and support their personal development, all gymnasts learn the phrase:

**“AMI KE, AMI POR, AMI GUSTA, AMI STIMA, AMI TA,
UN ATLETA GIMNÁSTIKO.”**

“I want, I can, I enjoy, I love, I am, a Gymnast.”

#KRESEKUNOS | #GROWWITHUS

The phrase #KreseKuNos reflects our commitment to continuous development in artistic gymnastics, aligned with international trends.

Kolorido is the youngest gymnastics organization in Curaçao, and the sport itself is growing across the Caribbean.

In 2024, the first Carifta Gymnastics event was held in Jamaica, similar to how Carifta Athletics began in 1972.

Every month, suggestions are reviewed.

- On the VOLUNTEERING page you’ll find where Kolorido currently needs support.

You are part of our growth. Every contribution counts. Kolorido provides clarity and leadership to maintain the necessary order and structure, taking into account regional and international developments, so your child can develop in the best possible way according to their level of development. We create an environment that fosters personal growth, discipline, and passion for the sport.

On behalf of the Kolorido Gymnastics team

THANK YOU FOR #GROWINGWITHUS

FUNDASHON KOLORIDO

Fundashon Kolorido is a non-profit organization founded on October 20, 2017, that aspires to promote the social, physical, and mental well-being of people from all sectors of the Curaçao community in particular, and other international communities in general.

KOLORIDO GYMNASTICS

Kolorido Gymnastics is a program of Fundashon Kolorido that develops gymnastics athletes in a positive, educational environment focused on enjoyment and personal growth. Kolorido, the gymnastics school and team, started unofficially in 2015 and continues to grow with passion and dedication to the sport.

ORGANOGRAM

CENTRAL ELEMENTS

Behavior, safety, and respect are three essential elements in every training.

Artistic gymnastics is a sport that demands a lot of concentration. If concentration is not present, and behavior does not reflect this, the situation can become dangerous.

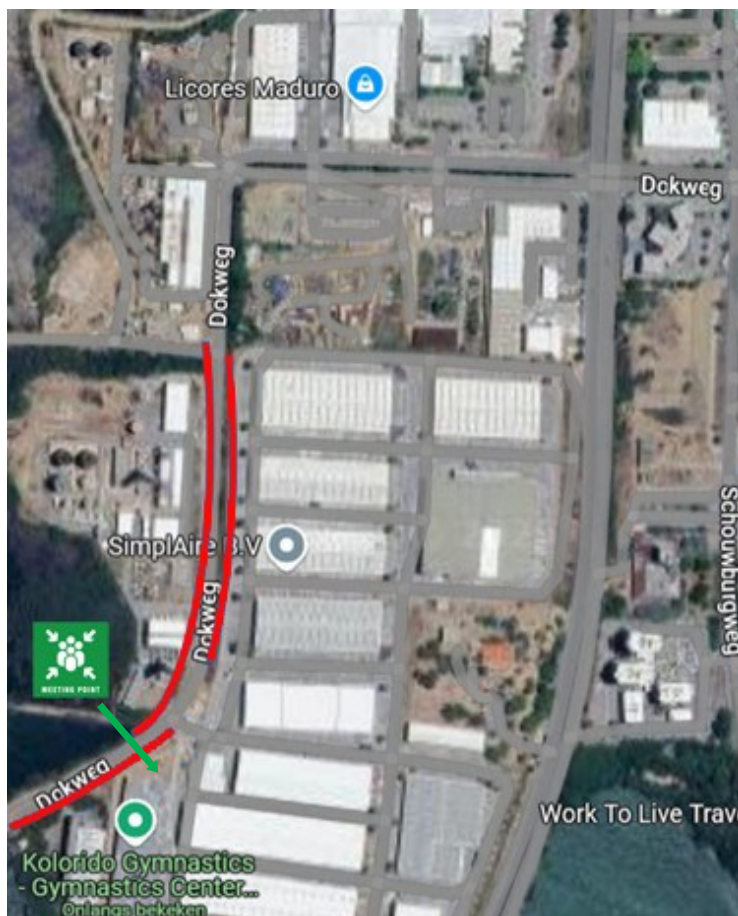

To ensure a safe training environment, we emphasize appropriate behavior and respect for everyone present.

During training, gymnasts address all coaches and assistants as:

- “Miss/Sir”
- “Miss X/Sir X”
- or simply “Coach.”

LOCATION: GYMNASTICS CENTER CURAÇAO

Kolorido Gymnastics' training location is at the Gymnastics Center Curaçao.
Address: Dokweg z/n, Curinde Industrial Zone Nieuwe Haven, Warehouse F. VI. 8 + 9.

[CLICK HERE FOR GOOGLE MAPS](#)

PARKING

- Only park beside the gym building on both sides of the road (illustrated in red) or on the dirt road beside the warehouses.
- It is not allowed to park in front of other warehouses or in front of the rolling doors.
- For safety: park facing the street.
- You may choose to drop off the gymnast by stopping briefly once they have safely entered our warehouse before you drive off.

EVACUATION PLAN

At Entrance 9 and next to the first aid kit in the room and on the whiteboard, you will find our evacuation plan. The meeting point in case of an emergency is in the dirt area behind the containers (in the direction of the main yard gate). The green arrow indicates the assembly point.

GROUPS

All gymnasts are stars of Kolorido “Kolorido Stars.” Kolorido offers recreational and competitive classes for girls and boys. The groups are mainly divided by age. For the competitive group, placement is based on the results of physical and technical skills tests..

TINY ST★RS			
Female gymnasts aged 3 to 4 years			
To help the younger gymnasts feel safer and more comfortable, Kolorido asks that each gymnast be accompanied by one adult/guardian. The adult may be asked to stay with the child during the class and assist the child with their tasks. It is important that the adult/guardian follows the instructions of the coach.			
KIDDIE ST★RS	RISING ST★RS	FUTURE ST★RS	
Female gymnast age 5–6 years	Female gymnast Age 7–8 years	Female gymnast age 9+ years	
SUPER ST★RS			
Male gymnasts of all ages, starting from 3 years old.			
The group is divided to prevent the experience that the sport is only for females. To ensure that the younger gymnasts (athletes aged 3–4) feel safe and comfortable, Kolorido asks that the athlete be accompanied by an adult/guardian. It is important that this adult follows the instructions of the trainer/coach.			
FACT!!! Boys started out in this sport.			
ROYAL ST★RS			
TINY ROYAL	SHINING ROYAL	EXCEL ROYAL	ELITE ROYAL
5-7 years	8+ years	8+ years	8+ years
In 2019, Kolorido Royal Stars was launched before the Excel Group and Kolorido Stars. During regular lessons, coaches observe whether a gymnast has advanced ability to train as a competitive gymnast.			
In this group, the gymnasts are trained more strictly, which means that participation is required:			
• Parent and gymnast must sign a Commitment Agreement. • Participation in the Kolorido Stars Competition and other competitions on the roster is mandatory. • Gymnasts in Royal Stars are aware that they serve as role models for the recreational groups and may be asked to represent Kolorido at events and shows during the year. • Evaluation at least annually and/or quarterly on rules, behavior, dedication, level, etc. If anything remarkable arises, the parent/guardian will be informed along with possible consequences for remaining in the group. • A skills or performance test during training may result in the gymnast moving to a higher or lower level.

DESCRIPTION OF ACTIVITIES

During the program period, there are various activities. Below is a brief description. On our website, you can find more information about other activities such as private lessons, play dates, open gymnastics, and birthday celebrations at Gymnastics Center Curaçao.

(Open) Gymnastics Day

The third Saturday of September is the date when, in America, our sport is celebrated. Kolorido will do this in the form of an Open Gymnastics Day. A free day for Kolorido gymnasts to celebrate the sport and for children in the community to get to know the sport of gymnastics. All participants must register.

Camp Isla® Curaçao

A historic elite training camp (non-sleepover) for gymnasts aged 6 years from Curaçao, the Caribbean, and beyond. A collaboration between Kolorido, Isla Foundation, and Brown Girls Do Gymnastics to open the pathway for gymnasts to pursue their sport at the highest level.

Kolorido Stars Talent Show Fundraising

A fundraising show and talent competition in one. Every Kolorido group will give a short performance that is learned during regular class. In addition to each group's show, gymnasts can register to compete individually or as a group and win prizes such as a day pass to Corendon and/or Kunuku Aquaresort.

Kolorido Gymnastics Skills Fest (diplomaturen den pasado)

A week during which all gymnasts demonstrate the selected physical/technical skills that were learned from Aug. to Dec. The week ends with a end-of the year closing celebration.

Kolorido Stars Competition

Kolorido's in-house competition takes place every first weekend of July, where all groups can register to participate according to their level. Coaches reserve and determine each gymnast's level. The intention is to annually invite international judges to evaluate the gymnasts. This way, coaches, parents, and gymnasts gain a better understanding of the level and performance from an international perspective.

Participants of Kolorido Tiny Stars in the adapted levels will receive only a gold medal. All other participants receive a participation medal and can earn medals for each apparatus and the all-around. The main focus remains personal development/growth and enjoyment.

Reach For The Stars Fundraising Gala Dinner

A fundraising gala dinner to raise funds for participation in competitions abroad (such as the Copa de las Américas in Lima, Peru) and/or for the purchase of materials for classes and activities (as part of the Kolorido program).

Gymnast Disco Award Party

Kolorido is closing the season with a free party for all Kolorido Stars. During the party, awards will be presented in the form of a certificate with a prize to gymnasts who stood out in different categories, judged by the coach as well as chosen by the gymnasts themselves.

KOLORIDO DREAMZONE

In the upcoming 2025–2026 period, Kolorido — under the guidance of a certified team in pedagogy, education, social work, and sports — is opening an after-school program for children aged 4 to 16. This combination offers gymnasts the opportunity to combine their sport with academic, social, and personal development. The program is also open to children who are not gymnasts.

In our program, we call all children Dreamerz.

This program is designed to help our Dreamerz with their personal development, to believe in themselves and their dreams, and to provide them with the tools to face life's challenges

TECHNICAL SYSTEM

Each year, Kolorido organizes the Kolorido Stars Competition, an internal competition where gymnasts can demonstrate their skills in front of international judges. Kolorido follows the American system (USAG Development Program Levels 1–10 as well as USAG Xcel (Bronze – Diamond) and the FIG Age Group Programme).

Kolorido uses a skills assessment test to identify potential gymnasts. This test is a combination of elements from the International Gymnastics Federation (FIG), influenced by the Cuban system and adapted to the context of Curaçao/Kolorido.

Kolorido may choose to use another system depending on the specific requirements of the competition in question.

To move up a level, a score of 34 points must be obtained at a competition judged by certified judges. The natural head coach may adjust the gymnast's level based on their physical and mental performance.

GENERAL RULES

Kolorido asks parents and gymnasts to help uphold the following rules below and other rules posted in the gym.

ENTRANCE AND EXIT

- Gymnasts enter through door #9 (Gymnast Entrance), register their attendance, and exit through door #8 (Fan Entrance), where fruit is distributed.
- Parents/guardians enter and exit the hall via door #8 (Fan Entrance) and sit on the tribune during the class.
- All gymnasts must place their water bottle, shoes/slippers, and bag on or in the furniture below the whiteboard near door #8 (Fan Entrance).

PRESENCE AND ABSENCE

- We ask that gymnasts arrive 15 minutes early.
- At the entrance, there is a table with an attendance list. Each adult and gymnast is responsible for marking the gymnast's attendance by placing a round circle with a "P" if the gymnast arrives on time, and a round circle with a "T" if the gymnast arrives late.
- Report absences via WhatsApp at +59995200060.

Kolorido is working to implement a digital and/or fingerprint system for registering attendance and absence.

DRESS CODE, HAIR AND JEWELRY

- In gymnastics, the traditional attire for female gymnasts is a leotard (with long or short sleeves). Male gymnasts wear a leotard with shorts and/or pants called "pommel pants" (spanbroek/stirrups).
- If the traditional attire is not available, female gymnasts may wear a ballet outfit (without skirt/tutu), a swimsuit bottom or a t-shirt/tank top with fitted shorts. Male gymnasts wear a t-shirt/tank top with shorts.
- Gymnasts must have their hair in one (1) ponytail or bun. Loose hair or loose braids are not allowed.
- Gymnasts must remove all jewelry (earrings with hoops or dangling pieces are not allowed).
- Artistic gymnastics is performed barefoot, with grips, or with ballet/special gymnastics shoes.

USE OF STANDS

Kolorido has an agreement with FDDK whereby the tribune may be removed during the year for large events such as Legends, Curaçao North Sea Jazz, Carnival, Seú, etc. During the periods when the tribunes are not present, Kolorido recommends that parents who stay during class bring a (folding) chair so they can sit.

NUTRITION

- It is recommended that all gymnasts eat (something not too heavy) at least 30 to 45 minutes before training.
- All gymnasts must bring their own cup/bottle for water.
- After every training session, the gymnasts will receive a piece of fruit to eat.
- It is up to each parent/guardian to let the gymnasts bring other food for after training.

TASKS

- Learning phrase (slogan): Ami Ke, Ami Por, Ami Gusta, Ami Stima, Ami Ta, Un Atleta, Gimnástiko!
- Learn exercises given by coaches to do at home in a safe way
- Kolorido recommends that gymnasts do our “Progress Training” at home for 15–20 minutes, available on the Kolorido Gymnastics YouTube channel.

[Click for our YOUTUBE CHANNEL](#)

PARENTS

- It is not allowed to enter the floor area during training to approach or communicate with your gymnast unless requested.
- The preference is for parents to be absent during the lessons to avoid distractions, with the exception of Tiny Stars and Super Stars aged 3–4 years, where Kolorido requests that a parent be present.

FUNDRAISING

Every Kolorido gymnast automatically contributes to at least two fundraising efforts per period to continue developing the sport in all its forms (e.g., new equipment, activities for gymnasts and coaches, etc.).

UNIFORM

- All gymnasts of Kolorido Gymnastics must have a uniform as long as stock is available.
- Kolorido Gymnastics uniforms can only be ordered online or in person if stock is available!
- At the time of ordering, payment must be 100% in advance.
- Kolorido currently does not offer payment plans for uniforms.
- If this situation would result in your child not having a uniform, please contact the head coach.
- We also have gymnastics shoes, practice leotards with grip, grips with wristbands, and various gymnastics accessories in stock.
